

## OUR FUNDRAISING TALLY

### FUNDRAISING TOGETHER FOR ONECAMP 2023

**Nobody should miss out on OneCamp because of money. Make it affordable for all with a well-planned fundraising program.**

#### TIPS AND TRICKS:

- Set up a OneCamp fundraising Committee
- Keep it simple, keep it friendly: it can be stressful when Groups pay too much attention to how many minutes everyone gives. Not everyone will give the same time. Some will be the key organisers, and some give time in other ways: as Leaders or on the Group Committee.
- Too much fundraising burns people out: focus on 2-3 activities that bring the biggest bang for your buck.
- Don't fundraise from your own families: reach out into the broader community.

#### IDEAS INCLUDE:

- A raffle = \$2000 to \$5000.
- A well-planned trivia night with extra cash games = \$4000 to \$8000.
- A garage sale = \$1000 to \$3000.

#### PLUS REGULAR EVENTS LIKE:

- A series of three sausage sizzles at \$1000 each = \$3000.
