

# STAIRCASE TO THE MOON

## Broome

Come and explore Broome, in Australia's North West, and enjoy a variety of Broome tours and experiences.

There is so much to see and do in Broome. You will get to experience town tours, pearl tours, check out the food and drink on offer while enjoying the perfect sunset, see the dinosaur footprints, or take a camel ride on Cable Beach.

The Staircase to the moon is a natural phenomenon seen when the full moon rises over the exposed mudflats at low tide, what a sight to witness!

All activities

Depart Perth Airport and fly to Broome. Settle into your accommodation for the week before heading off to explore Gantheaume Point to see the 130 million year old dinosaur footprints. During the evening, watch the Staircase to the Moon as the sun sets over the Indian Ocean.

Enjoy a boat trip out at the Willie Creek Pearl Farm, then spend your afternoon exploring Chinatown, Streeter's Jetty and Roebuck Bay lookout. Catch a movie at the outdoor cinema in the evening.

Relax or fill your day with adventure at the beach. Surfing, stand-up paddle boarding, cricket or even a beach snooze is on the cards.

Tackle some sea kayaking in the morning then venture to the Malcolm Douglas Crocodile Park for an afternoon of reptilian fun. As the sun sets, enjoy a camel ride along the famous Cable Beach.

Spend a final lazy morning in Broome before flying back to Perth and hopping on a coach transfer to Swan Valley Adventure Centre for the OneCamp 2023 – Eclipse Core Camp.

Expedition itineraries are indicative and are subject to change in light of participant demand and operational requirements.
