

# SAILING SCHOOL Waylen Bay

Mini  
Expedition

Never been sailing, but always been curious? Head out to Waylen Bay Sea Scout Hall and tackle a crash course in Aquatics before boating over to the Scouts Water Activity Centre for lunch and an afternoon of sailing skills. There's the possibility of a sneaky power boat ride to Elizabeth Quay after dinner (weather permitting). Day 2 will involve a day sail over to Pelican Point for lunch, before heading back to Waylen Bay and the OneCamp site by coach ready for dinner with your OneCamp Unit.
